REMARKS

Applicant extends his gratitude to the Examiner for the opportunity to conduct the telephonic interview. During the interview, various claims were discussed. Applicant and Examiner Moore resolved that the pending claims were allowable over the Prior Art. Applicant and the Examiner also addressed a number of small amendments, which were necessary to comply with newly promulgated USPTO office procedures. Applicant obliged the Examiner in the regard by addressing these issues (via minor amendments). It is Applicant's current understanding that the pending claims are now in condition for allowance.

Respectfully submitted,
